Export total *3	27,810	+24.8%	First increase in 6 months	130,232	-20.1%

< Production >

- While adjustments were made in response to the shortage of semiconductor supplies, global production increased from the same period of last year in which there was temporary suspension of production due to the coronavirus pandemic.

< Sales in Japan >

- Sales in Japan increased led by strong demand for the Levorg.

< Exports from Japan >

- While affected by production adjustments due to the shortage of semiconductor supplies, exports increased from the same period of last year in which there was temporary suspension of production due to the coronavirus pandemic.
